

ARE YOU A WITCH?

Would you like to find out?

There are several simple tests that you can use to determine if you are a witch.

- * Do you enjoy cooking ?
- * Do you like cats?
- * Do you have a long nose?
- * Do you have warts?
- * Do you ever wear black clothes?
- * Do you like black pointy hats?
- * Are you interested in toads, snakes, bats, lizards, or mice?
- * Do you like mushrooms on your food?
- * Do you own a broom?
- * Do you dream of flying?
- * Do bad things happen to people you are angry with?
 - * Do you like to walk through graveyards?
 - * Do you cackle when you hear jokes?
 - * Are you happiest around midnight?
 - * Do you like to talk in rhymes?
 - * Have you ever eaten chocolate covered eye-of-newt or candied bat wing?

If you have any of these symptoms, you may wish to consult your family physician (not that they'll help you or anything).
