

I can see with my eyes
I can hear with my ears
I can smell with my nose
I can taste with my tongue

I can feel with my skin
I can move with my body
I can nod with my head
I can think with my brain

I can kiss with my lips
I can bite with my teeth
I can speak with my mouth
I can get a sore throat

I can take with my hands
I can hug with my arms
I can scratch with my nails
I can run with my legs

I can walk with my feet
I can fight with my fists
I can rest on my elbows
I can stand on tiptoes

I can twist my ankle
I can slap on my thighs
I can snap my fingers
I can fall on my knees.
