

Snow White is talking about chores.

- 1) - Oh, I am so sad.
- Oh what is your problem Snow White?
- My stepmother is so cruel: she doesn't let me meet the Prince Charming.. And my dad doesn't allow me to kill her!!!
- It's so unfair!
- 2) - Well, if I stay in your house, I could do all the chores, I know how to cook delicious thing, I'm a really good cook! I could make your bed every morning, I could set the table and clear the table! I promise.
- 3) Today is a great day, I've lived in the house for one week now. Every morning, the cake is

baked by me, and the dwarfs love it!
I can sing when I tidy the house, I'm really happy! I have to take the rubbish out, but it's not a problem, because I can meet pretty animals.

4) Oh! They're such a pain... the bathroom is so messy! And I'm not allowed to relax, I always have to work! The dwarfs expect me to gardening all the Sunday! I'm exhausted! I have to wash their clothes every day, I'm fed up! And the plates, oh my god! The plates are always put everywhere in the house! So I have to take them and put them in the dishwasher, it really gets on my nerves.

5) I'm really fed up. The house is becoming a big mess. But every day, I hoover, I wash, I make the bed, I dust the living-room. It's so unfair! The dwarfs don't let me relax, and they don't let me meet the Prince Charming. I'm so sad. I will leave the house because I can't stand it anymore!

6) It's horrible. I have met the Prince Charming and we've ^{been} married for three years now. My life is worst than three years ^{ago}. I have three children, and my husband tells me to take care of them all day. They are so penible! I have to do all the housework: cooking, hoovering, washing, dusting, making the bed, clearing the table!!! And on the top of that my husband ^{doesn't} let me eat chocolates! I'm totally fed up.
Life is so unfair with me.

- 1- At the castle, my stepmother wants me to empty the dishwasher on top of the shopping. I'm so fed up! That's why I'm here.
- We understand you
 - And on top of that you will never know what she wants from me
 - What?
 - She wants me to clean all the castle everyday.
 - Oh my God!
- 2- I would like to stay here, you see, I can help you with many of things, I can clean your house or baking for you. I'm sure to get away from the castle when I was doing something.
- Welcome! (see party)
- 3- I love baking pie for you all! It's a sweet done. It's really better than the other. I love to bake, it's all I can say I'm so lucky to find you all!

4- It's becoming really horrible here. See? Nothing is done because I'm alone to do everything. I have to do the washing and after that, I will go to tell them that it's not normal that I do everything in here!

5- They just said that I was supposed to do all these because else they will find me from here! It's so horrible to do that to me, I'm a good person I mean. I can't handle this anymore! And I forgot to hear about this plan too! Like if I had not already done the work I wonder what they'd become if I was not there. I have no time for me. I was happy to be baking not ironing!

6- I finally got back with the pigs but at what price. I have now a child that I have to raise, I have to clean the dog and feed him just because I am the woman! I have to clean after the pigs who do nothing to help me and just sit there all day. Now I'm really fed up and I can't get back to the forest because of these kids. I have to do all the housework and do everything that the really good people want! I can't be more fed up now. I think after I empty the dishwasher, I will let him with the child. We'll see if he finds this cool but seriously why am I talking alone? Oh yeah, for the friend's English work. Pass me one more done, one!

Actually, there is a good point with the pigs because doesn't move at all, I don't have to clean or setting the table.

1) Snow White: In the castle, my stepmother is very nasty, she don't allow me to have a phone, so I can't call my best friend Cinderella and on top of that, she don't let me to paint my room in pink like a real princess.

A dwarf: You can stay in our home.

3) Snow White: Yesterday, a cake has been baked and now I'm baking another one. This afternoon, I will now the lunch because the dwarfs expect me to do that.

4) Snow White: I have had enough, the house is a big mess because the dwarfs are dirty. They lets their shoes in the living room and me, poor me, I must cleaning the house, all the time.

5) Snow White: I'm really really fed up, this is too much every morning, I have to make the seven beds. I need to take the dustbin out once a week and I can't relax, because I must iron their clothes every day.

6) Snow White: I can't stand it anymore, Prince Charming is not perfect, he's large, aggress and fat now. I have to look after the kids when Prince is watching TV.
