### Be a part-time cook for "The small food company"

Good home style cooks are required to prepare our delicious range of SKINNY and HEALTHIER EATING ready meals in central Brighton.

Flexible hours/days and above average rates of pay are offered to reliable people who are capable of working unsupervised. You should have a passion for healthier food and the creativity to participate in new product development.

A current level 2 hygiene certificate is preferred, but not essential as we will send you on the course.

Please send your CV and a short note saying why we should hire you, together with information on your availability and preferred days/hours. Selected applicants will be required to cook a sample lunch. This role could become permanent and offer serious career progression opportunities as our business is growing very quickly.
