

When I was born,
I had a black skin.

When I was born,
I had a pink skin.

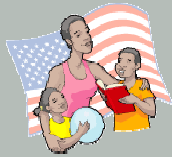

When I am sick,
I have got a black skin.

When I am sick,
I have got a green skin.

When it's hot,
I have got a black skin.

When it's hot,
I have got a red skin.

When I'm cold,
I've got a black skin.

When I'm cold,
I've got a blue skin.

When I will be dead,
I will have a black skin.

When I will be dead,
I will have a white skin.

...And YOU call ME
a **COLOURED** man !
