

The Younger Generation Knows Best

Arguments Against:

- 1. The young do not assume their responsibility; they evade it.**
- 2. The young have too much money and are spoiled.**
- 3. The young are not interested in important questions.**
- 4. The young are only interested in themselves.**
- 5. The young are concerned only with making money and getting ahead.**
- 6. The young seek material possessions like clothing, cars, etc. They do not wish to work for them.**
- 7. The young should feel grateful to the older generation, who have created a good life for them.**
- 8. The older generations caused the peace and freedom that the young enjoy today.**
- 9. The old provide the young with a good education and money to spend**
- 10. The older generation fought two world wars. They faced real problems, but the young have an easier life.**
- 11. The young are shallow and cling to passing fashions: trendy clothes, pop music, etc.**
- 12. The way many young people dress is in very bad taste. They grow long hair, and they are dirty, scruffy, and lazy.**
- 13. Young people have too much freedom and have no sense of morality.**
- 14. The older generation is too kind and soft with the young. We need a tougher policy and it might work wonders.**
- 15. The young are unadventurous and lack noble ideals.**
- 16. Young people's outlook on the world is very bleak and they are skeptical of everything.**
- 17. Young people are unstable. The young are cocksure but know little.**
